APPLY TO GET MEDICAL HELP FOR YOUR DOG

Managed by Heritage Fund

THE NALA FUND APPLICATION

Funds are currently available for any dog that needs help, no matter where you live. To apply for help, submit the information below to our partner organizations based on your county of residence (contact information to right).

- Your name, address, phone and email
- Clinic name, contact person, address, phone and email
- Dog's name and age
- Medical condition/treatment need
- Approximate cost of treatment
- Amount of assistance requested
- Any extenuating circumstances

Payment will be made directly to the veterinary office.

If payment was already made in an emergency, individuals may apply for reimbursement with proof of prior payment and description of financial hardship.

Are you worried about your dog's health but aren't sure what is wrong? Contact us for help paying for the initial vet visit.

ABOUT NALA

After the tragic and sudden loss of Nala in October 2020, The Nala Fund was established by her family in appreciation of the gift that her life made to them. Nala was the May family's first dog and the AEI company dog. She went to work every day and brought smiles to many with her unique personality. She is greatly missed.
